

ESSEX sexual health SERVICE

Over the coming months we will be moving to an **appointment only** system in place of **walk-in and wait** clinics.

This will help ensure you see the **most appropriate Nurse** or **Doctor** for your needs.

To **book your appointment** or for further information, telephone the service intelligence centre on **0300 003 1212**

Our 24 hours online appointment booking system will launch early in 2018.
